In further support of this Objection, the Debtors respectfully state as follows.

Relief Requested

1. The Debtors seek (i) entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Voting Objection Order”), (a) (1) reducing and allowing, or disallowing, as applicable, *solely* for the purpose of voting to accept or reject the Plan, Claims asserted in cryptocurrency in amounts that do not match the Debtors’ Books and Records (the “Disputed Amount Claims”) set forth on Schedule 1 and (2) disallowing Claims asserted, either fully or partially, in U.S. Dollars instead of cryptocurrency (the “Disputed USD Claims”) set forth on Schedule 2, each as set forth on Exhibit 1 of the Voting Objection Order, and (b) scheduling a hearing (the “Claims Hearing”) for the adjudication of the Disputed Claims on the merits, and

(ii) at the conclusion of the Claims Hearing, entry of an order, substantially in the form attached hereto as **Exhibit B** (the “Merit Objection Order,” and together with the Voting Objection Order, the “Orders”), (1) reducing and allowing, or disallowing, as applicable, the Disputed Amount Claims set forth on Schedule 1, (2) disallowing the Disputed USD Claims set forth on Schedule 2, and (3) reclassifying Disputed Claims that assert priority status inconsistent with the Bankruptcy Code (the “Disputed Priority Claims”) set forth on Schedule 3, each as attached as Exhibit 1 to the Merit Objection Order.

Jurisdiction and Venue

2. The United States Bankruptcy Court for the Southern District of New York (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, entered February 1, 2012. The Debtors confirm their consent to the Court entering a final order in connection with this Objection to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The bases for the relief requested in the Voting Objection Order are section 105(a) of title 11 of the United States Code (the “Bankruptcy Code”) and rule 3018 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”). The bases for the relief requested in the Merit Objection Order are section 502 of the Bankruptcy Code and Bankruptcy Rules 3003 and 3007. Notice of this Objection has been provided in accordance with the requirements set forth in rule 9013-1(b) of the Local Rules for the United States Bankruptcy Court for the Southern District of New York (the “Local Rules”).

Background

5. On July 5, 2022 (the “Petition Date”), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. A detailed description of the facts and circumstances of these chapter 11 cases is set forth in the *Declaration of Stephen Ehrlich, Chief Executive Officer of the Debtors, in Support of Chapter 11 Petitions and First Day Motions* [Docket No. 15] (the “First Day Declaration”), incorporated by reference herein.³

6. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. These chapter 11 cases have been consolidated for procedural purposes only and are jointly administered pursuant to Bankruptcy Rule 1015(b) [Docket No. 18]. On July 19, 2022, the United States Trustee for the Southern District of New York (the “U.S. Trustee”) appointed an official committee of unsecured creditors [Docket No. 102] (the “Committee”).

Objection

7. This Objection is divided into three sections. Section I summarizes the Debtors solicitation and voting procedures, Claim adjudication procedures, and related dates and deadlines. Section II.A establishes the Debtors’ objection to certain Disputed Claims solely for voting purposes (and no other reason). Section II.B establishes the Debtors’ objection to certain Disputed Claims on the merits and substance of such Claims.

³ Capitalized terms not defined herein shall have the meanings ascribed to such terms in the First Day Declaration, the Plan, or the Disclosure Statement Order (as defined herein) as applicable.

I. The Debtors' Solicitation and Voting Procedures and Claims Adjudication Process

A. The Solicitation and Voting Procedures.

8. On January 13, 2023, the Court entered the *Order (I) Scheduling a Combined Disclosure Statement Approval and Plan Confirmation Hearing, (II) Conditionally Approving the Adequacy of the Debtors' Disclosure Statement, (III) Approving (A) Procedures for Solicitation, (B) Forms of Ballots and Notices, (C) Procedures for Tabulation of Votes, and (D) Procedures for Objections* (the "Disclosure Statement Order") [Docket No. 861]. Pursuant to the Disclosure Statement Order, the Court authorized the Debtors to solicit votes on the Plan. In accordance with the Disclosure Statement Order, the Debtors distributed Solicitation Packages (including copies of the Plan and Ballots) by January 25, 2023 (the "Solicitation Deadline") to Holders of Claims entitled to vote to accept or reject the Plan. Holders of Claims entitled to vote on the Plan must return their Ballots by **February 22, 2023 at 4:00 p.m., prevailing Eastern Time** (the "Voting Deadline").

9. The Debtors filed this Objection in accordance with the Disclosure Statement Order. Specifically, the Disclosure Statement Order approved certain solicitation and voting procedures, attached thereto as Exhibit 1 (the "Solicitation and Voting Procedures"). Pursuant to the Solicitation and Voting Procedures, only the following Holders of Claims in the Voting Classes shall be entitled to vote with regard to such Claims:

- a. Holders of Claims who, on or before the Voting Record Date, have timely filed a Proof of Claim (or an untimely Proof of Claim that has been Allowed as timely by the Court under applicable law on or before the Voting Record Date) that: (i) has not been expunged, disallowed, disqualified, withdrawn, or superseded prior to the Voting Record Date; and (ii) is not the subject of a pending objection filed with the Court at least seven (7) days prior to the Voting Deadline, pending a Resolution Event as provided herein; *provided* that a Holder of a Claim that is the subject of a pending objection on a "reduce and allow" basis shall receive a Solicitation Package and

be entitled to vote such Claim in the reduced amount contained in such objection absent a further order of the Court;

- b. Holders of Claims that are listed in the Schedules; *provided* that Claims that are scheduled as contingent, unliquidated, or disputed (excluding such scheduled disputed, contingent, or unliquidated Claims that have been paid or superseded by a timely filed Proof of Claim) shall be allowed to vote only in the amounts set forth in Section 4(ii) of the Solicitation and Voting Procedures; *provided, further,* that if the Schedules are amended to schedule Claims against multiple Debtor entities, then votes on account of such Claims shall be tabulated for each applicable Debtor entity;
- c. Holders whose Claims arise: (i) pursuant to an agreement or settlement with the Debtors, as reflected in a document filed with the Court; (ii) from an order entered by the Court; or (iii) from a document executed by the Debtors pursuant to authority granted by the Court, in each case regardless of whether a Proof of Claim has been filed or the Claim was scheduled as contingent, unliquidated, or disputed;
- d. Holders of any Claim that has been temporarily allowed to vote on the Plan pursuant to Bankruptcy Rule 3018; and
- e. with respect to any Entity described in subparagraphs (a) through (d) above, who, on or before the Voting Record Date, has transferred such Entity's Claim to another Entity, the assignee of such Claim; *provided* that such transfer or assignment has been fully effectuated pursuant to the procedures set forth in Bankruptcy Rule 3001(e) and such transfer is reflected on the Claims Register on the Voting Record Date.

10. The Solicitation and Voting Procedures provide that:

- a. The Debtors shall have until ten days prior to the Voting Deadline to object to Proofs of Claims for purposes of voting on the Plan (the "Voting Claims Objection Deadline"). To the extent the Debtors wish to object to a Proof of Claim that is timely filed following the Voting Claims Objection Deadline but prior to the Voting Deadline, the Debtors shall promptly file such objection. Any such objection that remains pending as of the Combined Hearing Date will be heard on an emergency basis at the Combined Hearing.
- b. If a Claim in a Voting Class is subject to an objection that is filed with the Court on or prior to seven (7) days before the Voting Deadline: (i) the Debtors shall cause the applicable Holder to be

served with the *Notice of Non-Voting Status with Respect to Disputed Claims* substantially in the form annexed as **Exhibit 2C** to the Disclosure Statement Order; and (ii) the applicable Holder shall not be entitled to vote to accept or reject the Plan on account of such Claim unless a Resolution Event occurs as provided therein.

- c. If a Claim in a Voting Class is subject to an objection that is filed with the Court less than seven days prior to the Voting Deadline, the applicable Claim shall be deemed temporarily allowed for voting purposes only, without further action by the Holder of such Claim and without further order of the Court, unless the Court orders otherwise.

11. Pursuant to the Solicitation and Voting Procedures, the Holder of a Claim that is subject to a pending objection filed on or before February 12, 2023 cannot vote any disputed portion of their Claim for or against the Plan unless one or more of the following events have taken place no later than two (2) business days prior to the Voting Deadline (each, a “Resolution Event”):

- i. an order of the Court is entered allowing such Claim pursuant to section 502(b) of the Bankruptcy Code, after notice and a hearing;
- ii. an order of the Court is entered temporarily allowing such Claim for voting purposes only pursuant to Bankruptcy Rule 3018(a), after notice and a hearing;
- iii. a stipulation or other agreement is executed between the Holder of such Claim and the Debtors temporarily allowing the Holder of such Claim to vote its Claim in an agreed upon amount; or
- iv. the pending objection to such Claim is voluntarily withdrawn by the objecting party.

12. Pursuant to the Solicitation and Voting Procedures, Holders of Disputed Claims that the Debtors seek to reduce and allow pursuant to this Objection shall receive a new Ballot from the Claims, Noticing, and Solicitation Agent and be entitled to vote such Claim in the reduced amount to accept or reject the Plan absent a further order of the Court. For all other Disputed Claims, no later than one (1) business day following the occurrence of a Resolution Event, the Debtors will cause the Claims, Noticing, and Solicitation Agent to distribute a Solicitation Package

to the relevant Holder. If a Claimant wishes to vote on the Plan in the amount listed on their filed Proof of Claim, such Claimant must file a motion seeking temporary allowance of such Claim in such amount pursuant to Bankruptcy Rule 3018 by **February 20, 2023 at 4:00 p.m. prevailing Eastern Time.**

13. In accordance with the Solicitation and Voting Procedures, the Debtors will provide each Claimant with a Disputed Claim Notice in the form attached to the Disclosure Statement Order as Exhibit 2C (attached hereto as **Exhibit C**) that informs the Claimant of the rules applicable to their Claims subject to a pending objection and the procedures for temporary allowance of such Claims for voting purposes.

B. The Debtors' Schedules.

14. In the ordinary course of business, the Debtors maintain books and records (“Books and Records”) that reflect, among other things, the nature and amount of the liabilities owed to their creditors as of the Petition Date. As part of these chapter 11 cases, on September 15, 2022, the Debtors filed the *Amended Schedule of Assets and Liabilities of Voyager Digital Ltd.* (Case No. 22-10944) [Docket No. 9], *Amended Schedules of Assets and Liabilities of Voyager Digital, LLC* (Case No. 22-10945) [Docket No. 10], and *Amended Schedules of Assets and Liabilities of Voyager Digital Holdings, Inc.* (Case No. 22-10943) [Docket No. 429] (as amended from time to time, the “Schedules”) reflecting the obligations owed to their creditors as of the Petition Date. The Debtors, together with their advisors, engaged in a systematic review of the Proofs of Claim filed in these chapter 11 cases and worked diligently to review, compare, and reconcile the Proofs of Claim against the Debtors’ Books and Records. Pursuant to their reconciliation process, the Debtors’ identified Claims that should be reduced and allowed, reclassified, or disallowed, as applicable, based on the Books and Records.

C. Bar Date and Proofs of Claim.

15. On July 13, 2022, the Court entered the *Order (I) Authorizing and Approving the Appointment of Stretto, Inc. as Claims and Noticing Agent and (II) Granting Related Relief* [Docket No. 67] appointing Stretto, Inc. (“Stretto”) as Claims, Noticing, and Solicitation Agent in these chapter 11 cases. Among other things, Stretto is authorized to (a) receive, maintain, and record and otherwise administer the Proofs of Claim filed in these chapter 11 cases, and (b) maintain official claims registers for the Debtors.

16. On August 3 2022, the Court entered the *Order (I) Setting Deadlines for Submitting Proofs of Claim, (II) Approving Procedures for Submitting Proofs of Claim, and (III) Approving Notice Thereof* [Docket No. 218] (the “Bar Date Order”) providing that, except as otherwise provided therein, (a) all persons and entities (including, without limitation, individuals, partnerships, corporations, joint ventures, and trusts) that assert a claim, as defined in section 101(5) of the Bankruptcy Code, against the Debtors, which arose on or prior to the Petition Date, including requests for allowance and payment of claims under section 503(b)(9) of the Bankruptcy Code, shall file a proof of any such claim so that it is actually received on or before 5:00 p.m. prevailing Eastern Time on October 3, 2022 (the “General Bar Date”), and (b) all governmental units, as defined in section 101(27) of the Bankruptcy Code, shall file a Proof of Claim so that it is actually received on or before 5:00 p.m. prevailing Eastern Time on January 3, 2023 (the “Government Bar Date”).⁴

⁴ The Debtors entered into the *Stipulation and Agreed Order Extending Governmental Bar Date for the States* [Docket No. 840] with the National Association of Attorneys General on behalf of its member states in the United States, the Texas Department of Banking, and the Texas State Securities Board (collectively, the “States”), and the *Stipulation and Agreed Order Extending Governmental Bar Date for the US Securities and Exchange Commission* [Docket No. 839] with the United States Securities and Exchange Commission (the “SEC”), which extended the Governmental Bar Date for the States and the SEC to January 17, 2023.

17. The Bar Date Order also provides that, if the Debtors amend or supplement the Schedules after the date of service of the Bar Date Notice (as defined in the Bar Date Order), the Debtors shall give notice of any such amendment or supplement to the Holders of Claims affected thereby, and such Holders shall have thirty-five (35) days from the date on which such notice is given to file Proofs of Claim in respect of their Claims (the “Amended Schedules Bar Date”).

18. Additionally, pursuant to the Bar Date Order, except as otherwise provided by another order of the Court, any Person or Entity that holds a Claim arising from the rejection of an Executory Contract or Unexpired Lease (each, a “Rejection Damages Claim”) must file a Proof of Claim based on such rejection on or before the later of (a) the General Bar Date or the Governmental Bar Date, as applicable, or (b) 5:00 p.m. prevailing Eastern time on the date that is thirty (30) days following the entry of the order approving the rejection of the Executory Contract or Unexpired Lease pursuant to which the Entity asserting the Rejection Damages Claim is a party (the “Rejection Bar Date,” and together with the General Bar Date, the Government Bar Date, and the Amended Schedules Bar Date, the “Bar Dates”).

19. Notice of the Bar Dates was provided by mail and publication in accordance with the procedures outlined in the Bar Date Order.

D. The Claims Objection Procedures.

20. Bankruptcy Rule 3007(d) allows omnibus objections to more than one claim based on the following grounds:

- (a) they duplicate other claims;
- (b) they have been filed in the wrong case;
- (c) they have been amended by subsequently filed proofs of claim;
- (d) they were not timely filed;

- (e) they have been satisfied or released during the case in accordance with the Bankruptcy Code, applicable rules, or a court order;
- (f) they were presented in a form that does not comply with applicable rules, and the objection states that the objector is unable to determine the validity of the claim because of the noncompliance;
- (g) they are interests, rather than claims; or
- (h) they assert priority in an amount that exceeds the maximum amount under § 507 of the Code.

21. On January 30, 2023, the Debtors filed the *Motion for Entry of an Order (I) Approving (A) Omnibus Claims Objection Procedures and Form of Notice, (B) Omnibus Substantive Claims Objections, and (C) Satisfaction Procedures and Form of Notice, and (II) Waiving Bankruptcy Rule 3007(e)(6) (the “Omnibus Claims Objection Procedures”)* [Docket No. 925], which is currently set to be heard before the Court on February 22, 2023, and, if approved, allows the Debtors to file omnibus objections to more than one claim based on the following grounds in addition to those enumerated in Bankruptcy Rule 3007(d):

- (a) the claims are inconsistent with the Debtors’ Books and Records;
- (b) the Account Holder Claim is asserted partially or fully in U.S. Dollars rather than cryptocurrency;
- (c) the Claims fail to specify the amount or assert the amount as “unliquidated”;
- (d) the Claims fail to specify sufficiently the basis for the Claim or provide sufficient supporting documentation for such Claim;
- (e) the Claims seek to recover amounts for which the Debtors are not liable;
- (f) the Claims are classified improperly;
- (g) the Claims are filed against non-Debtors, the wrong Debtor, or are filed against multiple Debtors, except to the extent permitted under the Bar Date Order;
- (h) the Claims are disallowed pursuant to section 502 of the Bankruptcy Code;
- (i) the Claim has been satisfied in full by a party that is not a Debtor;

- (j) one or more of the Debtors' insurers are obligated to satisfy the Claims; or
- (k) the Claimant has withdrawn the Claim formally pursuant to either a pleading or the entry of a Court order.

22. Pursuant to Bankruptcy Rule 3007 and the Omnibus Claims Objection Procedures, the Debtors may object to Claims on an omnibus basis based on any of the grounds enumerated above. Additionally, pursuant to Bankruptcy Rule 3007(a)(1), the Debtors must give Claimants notice of such objections thirty (30) days before a scheduled hearing on the objection or any deadline for the Claimants to request a hearing.

23. In accordance with the Bankruptcy Rules and the Omnibus Claims Objection Procedures, the Debtors will serve an Objection Notice (as defined in the Omnibus Claims Objection Procedures) on each affected Claimant that informs the Claimant of the nature of the objection, that their rights may be affected by the objection, procedures for a written response, the hearing date, and a description of how copies of the Proofs of Claims, the Objection, and other pleadings filed in these chapter 11 cases may be obtained.

II. Objections

24. As of the date hereof, the Debtors have scheduled over 957,000 Account Holder Claims and Account Holders have filed over 10,000 Proofs of Claim. The filed Account Holder Claims collectively assert approximately \$4.618 trillion in aggregate liabilities. Importantly, the Debtors distributed personalized emails to all Account Holders listing their scheduled Claims on a coin-by-coin basis based on the Debtors' Books and Records for easy reference. Similar to all other Holders of Claims, Account Holders were able to file Proofs of Claim in advance of the Bar Date to the extent they disagreed with their scheduled Claim amount. As discussed herein, the Debtors and their advisors reviewed and analyzed all filed Proofs of Claim, including supporting

documentation, if any, filed together with any Proof of Claim, and reconciled the Proofs of Claims with the Debtors' Books and Records to determine the validity of the Proofs of Claim.

25. Based on their analysis, the Debtors determined that the Disputed Amount Claims assert cryptocurrency amounts that cannot be reconciled with the Debtors' Books and Records and are, therefore, disputed and must be reduced to the cryptocurrency amounts listed in the Debtors' Books and Records, or disallowed, as applicable, for voting purposes. Second, the Debtors have determined that the Disputed USD Claims improperly list the Account Holder Claim amount fully or partially in U.S. Dollars, and therefore, the U.S. Dollar portions of those Claims must be disallowed, as no Account Holder holds a Claim for U.S. Dollars against the Debtors and all Account Holders were served with Ballots allowing such Account Holders to vote the full value of their Claim in cryptocurrency.

26. The Debtors also object on the merits to the Disputed Claims because the Disputed Claims assert Claims for amounts, either in cryptocurrency or in U.S. Dollars, that do not match the Debtors' Books and Records. Finally, the Debtors seek to reclassify the Disputed Priority Claims on the basis that the Disputed Priority Claims assert priority status that is not supported by the Bankruptcy Code. Accordingly, the Debtors seek to (i) reduce and allow, or disallow, as applicable, the Disputed Amount Claims in accordance with Schedule 1 to Exhibit 1 of the Merit Objection Order, (ii) disallow the Disputed USD Claims in accordance with Schedule 2 to Exhibit 1 to the Merit Objection Order, and (iii) reclassify the Disputed Priority Claims as non-priority Claims in accordance with Schedule 3 to Exhibit 1 to the Merit Objection Order.

A. Limited Objection to Claims for the Purpose of Voting on the Plan.

27. The Debtors and their advisors identified 3,083 Disputed Claims, amounting to less than 1% of Account Holder Claims, that the Debtors seek to reduce and allow or disallow solely for voting purposes pursuant to this Objection. The Debtors conducted a rigorous analysis

of the filed Proofs of Claim to ensure that Holders of Claims entitled to vote to accept or reject the Plan are afforded a fair opportunity to do so and that their voting power is commensurate with their economic interests in the case. After reviewing the Proofs of Claim, the Debtors determined that the Disputed Claims assert amounts in cryptocurrency or cash that, based on the Debtors' Books and Records, are incorrect.

28. Accordingly, by this Objection, the Debtors seek to reduce and allow, or disallow, as applicable, each of the Disputed Amount Claims identified on Schedule 1 to Exhibit 1 to the Voting Objection Order and disallow each of the Disputed USD Claims identified on Schedule 2 to Exhibit 1 to the Voting Objection Order, in each case, solely for the purpose of voting to accept or reject the Plan.

i. Disputed Amount Claims.

29. The Debtors and their advisors identified 1,009 Disputed Amount Claims. Prior to and as of the Petition Date, the Debtors maintained a digital ledger of all cryptocurrency stored by Account Holders on the Debtors' platform (including the amounts and type of cryptocurrency stored by each Account Holder). Indeed, one of the key benefits of cryptocurrency is the transparency and ease by which cryptocurrency holdings can be monitored. Accordingly, the Debtors' Books and Records include detailed records of each Account Holder's cryptocurrency holdings on the platform on a coin-by-coin basis as of the Petition Date.

30. The Disputed Amount Claims assert cryptocurrency amounts that do not match the Debtors' Books and Records and, accordingly, assert amounts that are not actual liabilities of the Debtors. Accordingly, the Debtors dispute the Disputed Amount Claims and, pursuant to this Objection, seek to reduce to their scheduled amounts and allow, or disallow, as applicable, the Disputed Amount Claims, solely for voting purposes.

ii. Claims Filed in U.S. Dollars.

31. After a review of the Proofs of Claim and the Debtors' Books and Records, the Debtors identified 1,482 Proofs of Claim totaling approximately \$208.1 million in the aggregate where the Claimant improperly asserted their Account Holder Claim in U.S. Dollars, and 592 Proofs of Claim totaling approximately \$50.6 million in the aggregate where the Claimant improperly listed a portion of their Account Holder Claim in U.S. Dollars.

32. The Proof of Claim form listed all cryptocurrency available on the Debtors' platform and allowed each Claimant to list the amount of cryptocurrency held by the Claimant: Claimants who filed Disputed USD Claims ignored or misunderstood the instructions on the Proof of Claim form⁵ and may have converted their Claims to U.S. Dollars as of an unspecified conversion date, either partially or fully.

[illegible]

⁵ Question 7b of the Proof of Claim form instructed each Claimant to “list the number of each type of coin held in your account as of the date the case was filed.”

33. The Debtors do not hold any Cash on behalf of Account Holders. Metropolitan Commercial Bank held Cash on behalf of Account Holders in that certain “for the benefit of” account (the “FBO Account”), and all Account Holders were allowed to withdraw their cash from the FBO Account pursuant to that *Order (I) Authorizing the Debtors to (A) Honor Customer Withdrawals from the MC FBO Accounts, (B) Liquidate Cryptocurrency from Customer Accounts with a Negative Balance, (C) Sweep Cash Held in Third-Party Exchanges, (D) Conduct Ordinary Course Reconciliation of Customer Accounts, and (E) Continue to Stake Cryptocurrency, and (II) Granting Related Relief* [Docket No. 246] (the “MCB Order”).⁶ No Account Holder will be prejudiced by the disallowance of their Disputed USD Claim since each Account Holder received a Ballot to vote on the Plan in the amount of such Account Holder’s scheduled cryptocurrency Claim, according to the amount reflected in the Debtors’ Books and Records. Accordingly, the Disputed USD Claims should be disallowed solely for the purposes of voting on the Plan.

III. Substantive Objection to Claims on the Merits.

34. Section 502(a) of the Bankruptcy Code provides that a filed proof of claim is deemed allowed unless a party in interest objects to it. 11 U.S.C. § 502(a). Bankruptcy Rule 3007 contains the grounds upon which “objections to more than one claim may be joined in an omnibus objection.” Fed. R. Bankr. P. 3007(d). The Omnibus Claims Objection Procedures seek to expand Bankruptcy Rule 3007(d) and permit the Debtors to file omnibus objections to Claims on additional grounds.

35. As described above, the Debtors hold a digital ledger with detailed records of the type and amount of all cryptocurrency held by each Account Holder on the Debtors’ platform as

⁶ The FBO Account was closed on February 6, 2023 at 8 p.m. EST (the “FBO Closing Date”). Any Account Holders that did not withdraw cash held in the FBO Account prior to the FBO Closing Date will be sent a check to their last known address.

of the Petition Date. The Debtors determined, after a review of their Books and Records, that the Disputed Amount Claims do not accurately reflect the amount of cryptocurrency owed to the respective Claimants, or, with respect to certain Disputed Amount Claims, were asserted by Claimants whom the Debtors have no record of being an Account Holder. Further, Disputed USD Claims were asserted in U.S. Dollar amounts which do not match the Debtors' Books and Records as the Debtors did not hold cash on behalf of Account Holders. The Debtors therefore seek authority to reduce and allow, or disallow, as applicable, such Disputed Amount Claims to reflect the amount, if any, listed in the Debtors' Books and Records as set forth in Schedule 1 to Exhibit 1 to the Merit Objection Order and disallow the Disputed USD Claims as set forth in Schedule 2 to Exhibit 1 to the Merit Objection Order.

36. The Debtors also seek authority to reclassify the Disputed Priority Claims, as the Disputed Priority Claims assert a priority that such Claims are not entitled to under the Bankruptcy Code. The Debtors therefore seek authority to reclassify the Disputed Priority Claims by eliminating their asserted priority status as set forth in Schedule 3 to Exhibit 1 to the Merit Objection Order.

37. In an effort to maximize administrative efficiency and to reduce uncertainty for Account Holders, the Debtors assert their objection on the merits to each of the Disputed Claims concurrently with their objection to amounts allowed solely for purposes of voting on the Plan. The universe of Claimants, and the support and rationale for both objections, are the same. The Debtors submit that providing notice of both objections to Claimants in this single Objection reduces expense, inefficiency, and confusion that would result from filing two separate objections. No Claimant will be prejudiced by this Objection, as the objection solely for purposes of voting on the Plan complies with the Debtors' Solicitation and Voting Procedures and the

objection on the merits provides Claimants with the 30-day notice period required under the Bankruptcy Rules. The Debtors request that the Court enter the Merit Objection Order *only* after the full 30-day period following filing this Objection lapses.

38. This Objection is warranted to avoid a potential impediment to consummation of the Debtors' Plan and distributions being made to Account Holders as soon as possible thereafter. The Disputed Claims collectively represent some of the most significant unsecured Proofs of Claim in the Debtors' chapter 11 cases. Unless and until such claims are reduced and allowed, or disallowed, as applicable, pursuant to this Objection, the Debtors will not be able to make any distributions to Account Holders, which will further, and potentially substantially, delay recoveries to creditors. Therefore, expeditious resolution of the Disputed Claims is necessary to bring these chapter 11 cases to a conclusion and initiate distributions to Account Holders under the Plan.

39. Accordingly, in addition to objecting solely for purposes of voting on the Plan, the Debtors file this Objection to the Disputed Claims listed on Schedule 1, Schedule 2, and Schedule 3 to Exhibit 1 of the Merit Objection Order on the bases set forth herein and as further described in the Renzi Declaration.

Basis for Relief

I. Limited Objection to Claims for the Purpose of Voting on the Plan.

40. Section 1126(a) of the Bankruptcy Code provides that only holders of allowed claims or interests may vote to accept or reject a plan, and "[a] creditor whose claim is objected to is therefore disenfranchised from voting on the plan unless the objection is adjudicated prior to plan voting" or the Court allows the claimant to vote through some other mechanism. *In re Romacorp, Inc.*, No. 05-86818, 2006 WL 6544089, at *3 (Bankr. N.D. Tex. Feb. 24, 2006) (quoting *In re Stone Hedge Props.*, 191 B.R. 59, 63 (Bankr. M.D. Pa. 1995)).

41. Bankruptcy Rule 3018(a) expressly permits estimation of claims for plan voting purposes, and provides that “[n]otwithstanding [an] objection to a claim or interest, the court after notice and hearing may temporarily allow a claim or interest in an amount which the court deems proper for the purpose of accepting or rejecting a plan.” Fed. R. Bankr. P. 3018(a). While Bankruptcy Rule 3018 “provide[s] little guidance” with respect to temporary allowance of claims for voting purposes, the touchstone of “any estimation should [be to] ensure that the voting power is commensurate with the creditor’s economic interests in the case.” *In re Quigley Co.*, 346 B.R. 647, 653–54 (Bankr. S.D.N.Y. 2006); accord *Pension Benefit Guaranty Corp., v. Enron Corp.*, 2004 U.S. Dist. LEXIS 21810, *16 (S.D.N.Y. Nov. 1, 2004). Courts enjoy wide discretion to estimate claims, and may use whatever method is best suited to the contingencies of the case, so long as the procedure is consistent with the fundamental policy that a reorganization “must be accomplished quickly and efficiently.” *In re Adelphia Bus. Solutions, Inc.*, 341 B.R. 415, 422 (Bankr. S.D.N.Y. 2003). Estimation of a claim for plan voting purposes is not a binding legal determination as to the ultimate validity of the amount of a claim, nor a binding determination of a cause of action before a non-bankruptcy court. See *In re Ralph Lauren Womenswear, Inc.*, 197 B.R. 771, 775 (Bankr. S.D.N.Y. 1996) (noting the “fundamental” differences between the “adjudication of a claim and its temporary allowance for plan purposes.”). In addition to Bankruptcy Rule 3018, section 105(a) of the Bankruptcy Code provides that “bankruptcy courts, as courts of equity have broad authority to modify creditor-debtor relationships.” *U.S. v. Energy Resources*, 495 U.S. 545, 549 (1990).

42. The Disputed Claims assert amounts for which the Debtors are not liable or in U.S. Dollars, which runs afoul of the procedures approved by the Court for asserting Proofs of Claim as set forth in the Bar Date Order. Accordingly, the Debtors respectfully request that the Court

exercise its discretion under the Bankruptcy Code and Bankruptcy Rules, and in accordance with the Solicitation and Voting Procedures, and enter the Voting Objection Order reducing and allowing each of the Disputed Claims for the purpose of voting to accept or reject the Plan, or disallowing such Claims, as applicable and as described above, consistent with the treatment for each Disputed Claim on Schedule 1 and Schedule 2 to Exhibit 1 to the Voting Objection Order.

II. Substantive Objection to Claims on the Merits.

43. Section 502 of the Bankruptcy Code provides, in pertinent part, that: “A claim or interest, proof of which is filed under section 501 of [the Bankruptcy Code], is deemed allowed, unless a party in interest . . . objects.” 11 U.S.C. § 502. If an objection refuting at least one of the claim’s essential allegations is asserted, the claimant has the burden to demonstrate validity of the claim. *See, e.g., Sherman v. Novak (In re Reilly)*, 245 B.R. 768, 773 (2d Cir. BAP 2000); *In re Rockefeller Ctr. Props.*, 272 B.R. 524, 539 (Bankr. S.D.N.Y. 2000); *In re St. Johnsbury Trucking Co.*, 206 B.R. 318, 323 (Bankr. S.D.N.Y. 1997).

44. When asserting a proof of claim against a bankrupt estate, a claimant must allege facts that, if true, would support a finding that the debtor is legally liable to the claimant. *In re Allegheny Int’l, Inc.*, 954 F.2d 167, 173 (3d Cir. 1992); *Matter of Int’l Match Corp.*, 69 F.2d 73, 76 (2d Cir. 1934) (finding that a proof of claim should at least allege facts from which legal liability can be seen to exist). Where the claimant alleges sufficient facts to support its claim, its claim is afforded *prima facie* validity. *Allegheny Int’l Inc.*, 954 F.2d at 173. A party wishing to dispute such a claim must produce evidence in sufficient force to negate the claim’s *prima facie* validity. *Id.* In practice, the objecting party must produce evidence that would refute at least one of the allegations essential to the claim’s legal sufficiency. *Id.* Once the objecting party produces such evidence, the burden shifts back to the claimant to prove the validity of his or her claim by a preponderance of the evidence. *Id.* The burden of persuasion is always on the claimant. *Id.*

45. Based on the Debtors' review of their Books and Records, the Disputed Amount Claims assert Claims in amounts for which the Debtors are not liable. Accordingly, the Debtors object to the Disputed Amount Claims set forth in Schedule 1 to the Merit Objection Order and seek authority to reduce and allow such Disputed Amount Claims in an amount consistent with the Debtors' Books and Records, or disallow such Disputed Amount Claims, as applicable. Additionally, the Debtors object to the Disputed USD Claims set forth in Schedule 2 to the Merit Objection Order and seek to disallow such Disputed USD Claims because they are inconsistent with the Debtors' Books and Records. Finally, the Disputed Priority Claims set forth in Schedule 3 to the Merit Objection Order assert priority status which is inconsistent with the Bankruptcy Code. The Debtors object to the priority status asserted by the Disputed Priority Claims and seek authority to remove such priority status. Failure to reduce and allow, or disallow, as applicable, the Disputed Amount Claims, disallow the Disputed USD Claims and reclassify the Disputed Priority Claims would result in the applicable Claimants receiving an unwarranted recovery against the Debtors' estates to the detriment of other creditors in these chapter 11 cases. Further, no Claimant's due process rights will be affected by this Objection, as the Debtors are providing a 30-day notice period as required by Bankruptcy Rule 3007.

Responses to this Objection

46. ***Limited Objection to Claims for the Purpose of Voting on the Plan.*** If a Claimant seeks to challenge the allowance of their Disputed Claim for voting purposes only, such Claimant must file a motion with the Court seeking entry of an order pursuant to Bankruptcy Rule 3018(a) temporarily allowing such Claim for voting purposes on or before **February 20, 2023 at 4:00 p.m. prevailing eastern time.**

47. ***Substantive Objection to Claims on the Merits.*** If a Claimant seeks to contest this Objection on the merits of their Claim, such Claimant has thirty (30) days after receipt of the notice of objection to file a response with the Court pursuant to Bankruptcy Rule 3007. Such response must be filed in accordance with the procedures set forth in the Objection Notice attached as Exhibit 2 to the *Debtors' Motion for an Order (I) Approving (A) Omnibus Claims Objection Procedures and Form of Notice, (B) Omnibus Substantive Claims Objections, and (C) Satisfaction Procedures and Form of Notice, and (II) Waiving Bankruptcy Rule 3007(e)(6)* [Docket No. 925], reattached hereto as Exhibit D. However, a Claimant may seek to consensually resolve this Objection to the merits of their claim. To do so, a Claimant must contact Allyson Smith and Evan Swager at Kirkland & Ellis LLP, counsel to the Debtors, via (a) e-mail at Allyson.Smith@kirkland.com and Evan.Swager@kirkland.com, respectively, or (ii) telephone at (212) 909-3217 or (212) 390-6951, respectively. If the Claimant and the Debtors are not able to consensually resolve the Objection filed with respect to the Claim, such Claimant must file a response as described herein.

Reservation of Rights

48. Nothing contained in this Objection or any actions taken pursuant to any order granting the relief requested by this Objection is intended or should be construed as (a) an admission as to the validity of any particular claim against the Debtors, (b) a waiver of the Debtors' rights to dispute any particular claim on any grounds, (c) a promise or requirement to pay any particular claim, (d) an implication or admission that any particular claim is of a type specified or defined in this Objection or any order granting the relief requested by this Objection, (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code, (f) a waiver or limitation of the Debtors' rights under the Bankruptcy

Code or any other applicable law, or (g) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) satisfied pursuant to this Objection are valid, and the Debtors expressly reserve their rights to contest the extent, validity, or perfection or seek avoidance of all such liens.

Notice

49. The Debtors will provide notice of this Objection to the following parties and/or their respective counsel, as applicable: (a) the U.S. Trustee; (b) the Committee; (c) the lender under the Debtors' prepetition loan facility; (d) the United States Attorney's Office for the Southern District of New York; (e) the Internal Revenue Service; (f) the Toronto Stock Exchange; (g) the attorneys general in the states where the Debtors conduct their business operations; (h) the Holders of Disputed Claims; and (i) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

50. No prior request for the relief sought in this Objection has been made to this or any other court.

Separate Contested Matter

51. To the extent that a response is filed regarding any Disputed Claim on Schedule 1 or Schedule 2 to Exhibit 1 to the Voting Objection Order or Schedule 1, Schedule 2, or Schedule 3 to Exhibit 1 to the Merit Objection Order and the Debtors are unable to resolve any such response, each such Disputed Claim, and the Objection as it pertains to such Disputed Claim, will constitute a separate contested matter as contemplated by Bankruptcy Rule 9014. Further, the Debtors

request that any order entered by the Court regarding an objection or other reply asserted in response to this Objection be deemed a separate order with respect to each proof of claim.

1. The Objection is granted as set forth herein.
2. Any response to the Objection not otherwise withdrawn, resolved, or adjourned is hereby overruled on its merits with prejudice.

Exhibit 1 constitute a separate contested matter as contemplated by Bankruptcy Rule 9014. This Order will be deemed a separate Order with respect to each Disputed Claim. Any stay of this Order pending appeal by any Claimants whose Claims are subject to this Order will only apply to the contested matter that involves such Claimant and will not act to stay the applicability or finality of this Order with respect to the other contested matters identified in the Objection or this Order.

7. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Objection.

8. Notice of the Objection as provided therein, shall be deemed good and sufficient notice of the Objection, and the requirements set forth in rule 9013-1(b) of the Local Rules are satisfied.
